

Requirements

Photos of the vehicle must be taken no earlier than three days before the insurance contract is signed or no later than three days after signing the contract, and sent to the email address pildid@elama.ee, with the vehicle's registration number as the subject.

What to keep in mind when photographing the vehicle?

- Photograph the vehicle during the day in natural light;
- The vehicle should be clean and dry at the time of photography;
- If the vehicle has any known damages (e.g., scratches, glass damage), take photos of those as well;
- Take photos of the vehicle from four corners, the windshield (both inside and outside), and the vehicle's VIN code.
